Our motto is Cinema Culture

Yes, it has been a hard time so far - to fulfil our vision of open air cinema in New Zealand. Our aim is to show some of the movies we love to all those who like cinematic culture. To do that outdoors in a festival-like atmosphere adds to the unique experience. Most of the films we've chosen are especially for the Waiheke folk ... people enjoying nature and life. Let's just all hope for a good summer. Does anyone know a Sundance?
